

Dear Guest:

Thank you for your interest in the Bird-in-Hand Village Inn & Suites. While you are in the area, we invite you to consider our historic property as your home away from home. Our entire staff is eager to welcome you to our country inn. We would be more than happy to help plan your itinerary so that you can discover the many hidden treasures Lancaster County has to offer.

Our guests enjoy our deluxe continental breakfast to help start their day. New for 2016, we are offering the option of a breakfast voucher for the Bird-in-Hand Bakery & Cafe, which features made-to-order breakfast sandwiches, bagels, donuts, specialty coffees and other beverages. What to do after breakfast? We encourage you to book seats for a complimentary two-hour tour of Amish Country. You'll travel scenic roads and stop at several sites of interest while your knowledgeable guide shares a wealth of information about the area and Amish culture.

From standard rooms to one- and two-room suites, some with Jacuzzi whirlpool tubs or fireplaces, we have a range of accommodations to meet your needs. Every room is beautifully appointed and features a private bath and many modern amenities.

From our romantic setting and exceptional cleanliness, to our warm personal service and convenient location, our inn offers a unique Lancaster County lodging experience. We work hard every day to carry out our mission, to enhance lives and provide comfort, so that you can relax and recharge when you stay with us.

Looking forward to your visit,
